About Us

Incorporated in 2010, we, Locus Exim, are a renowned manufacturer, exporter and supplier of high quality Cashew Nut Machinery, Vacuum Frying Machine, Industrial Automation and Robotics. Our product range consists Cashew Peeling Machine, Cashew Shelling Machine, Cashew Nut Making Machines, Mobile Roll Forming Machine, Cashew Steaming Machine & Bucket Elevator, etc. Manufactured with top-grade components and the latest technologies, our products are appreciated for their robust construction, superior performance, high tensile strength, corrosion resistance and affordable prices.

The products we offer to the clients are mainly complete set of machines related to Cashew processing and vacuum frying with mechanized and automated solutions which are acknowledged in the market due to their superior quality, outstanding performance and desired durability. Apart from providing an array of highly functional machines, we are also working as a prominent service provider that works for consultation and after sales services and completes automated turn key solutions. We provide all these excellent services due to the help of our experienced technocrats and engineers. Our company is a right place, where customers get total satisfaction in every facet.

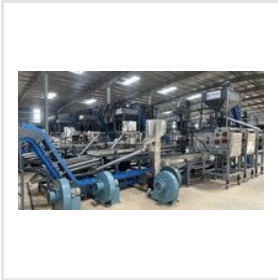

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	Vaccum frying machine,cashew nut processing machine,cashew nut cutting machine,cashew nut processing machine
No of Staff	50
Year of Establishment	2009
OEM Service Provided	No
ProductRange	Vaccum frying machine,cashew nut processing machine,cashew nut cutting machine,cashew nut processing machine

Our Products

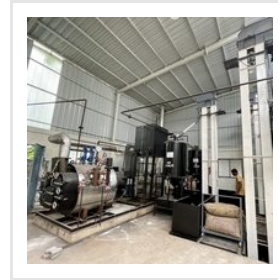

Automatic Cashew Nut Processing Plant

Cashew Nut Boiler

Raw Cashew Grading Machine

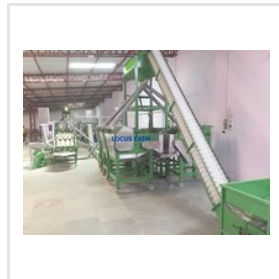

Cashew Boiler And Cooker

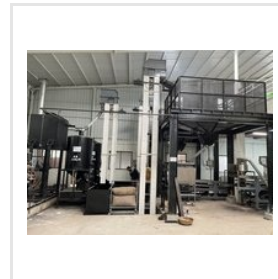

Cashew Kernel Grading Machine

Cashew Nut Machinery

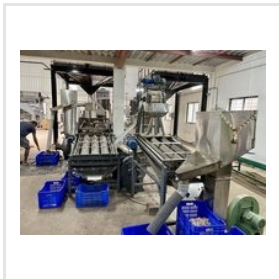

Automatic Cashew Nut Processing Machine

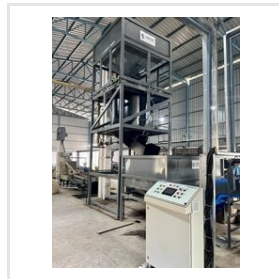

Raw Cashew Steam Cooker

Cashew Nut Dryer

Cashew Processing Machine

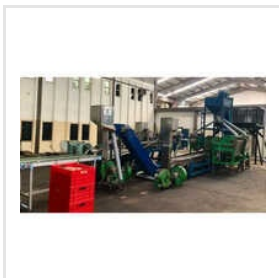

Cashew Cooker

Rotary Cooker

Cashew Split Grading Machine

Mild Steel Cashew Cutting Machine

Raw Cashew Nut Grading Machine

Split Grading Machine
